

Press Release:

Farrell-Calhoun Paint in Memphis, Tennessee has acquired the assets of Color & Supply Company, the parent company for Kentucky Paint Manufacturing Company in Lexington, Kentucky. The acquisition includes the Kentucky Paint's manufacturing facility, three company stores located in Lexington and Frankfort, and the product lines Town & Ranch, RustNox, FenceGuard, Double Duty, Acrylex, and Dura Lex.

Color & Supply was founded in 1929 by Carl J. Deifel. According to Anthony Ward, Farrell-Calhoun's Vice President of Sales, "Color & Supply built their base selling to horse farms and painting contractors in and around the Lexington area". The acquisition provides Farrell-Calhoun with distribution in the central Kentucky area, and an excellent line of fence paint that is used extensively in Kentucky and throughout the country's horse farm industry.

Farrell-Calhoun is a family owned and operated company that has been manufacturing paint in Memphis since 1905. Farrell-Calhoun has over 30 company owned stores and a dealer network that encompasses 13 states. Farrell-Calhoun manufactures industrial maintenance and architectural coatings, including their eco-friendly, low VOC, Green Leaf maximum performance coatings.

Farrell-Calhoun's Dealer Operations Manager, Randy McMillen, will be relocated to Lexington to become the area District Manager. The Kentucky stores will become Farrell-Calhoun/Town & Ranch stores and the stores will carry both Farrell-Calhoun and Town & Ranch products.
